LINCOLN STRATFORD®

Standard-glass windshield for a smooth, quiet ride and a distinctive look.

The front commercial-style headliner provides 4-inches of additional interior head room.

46.5" wide rear side doors provide easy access to the church truck and full-size spare tire.

LINCOLN STRATFORD®

The Stratford features functional and stylish interior amenities including cloth upholstery, embroidery, six LED overhead lights and durable, functional hardware for years of distinguished service.

The Stratford features a chrome bumper protector along with a short carpet protector and stainless-steel sill plate.

Under-floor storage abounds for the full-size spare tire, church truck, umbrellas – all tastefully concealed, yet readily accessible.

Functional, polished aluminum drip rails over all five doors channel water away from door openings.

Switch-activated suspension with automatic airbag recovery reduces load heights for easy loading.

A casket door opening width of 42" by 37.5" high opens to a large 116" by 45" casket floor.

The Lincoln Stratford pictured features optional equipment: crown roof molding, "B" pillar stainless trim and lower stainless package on the rockers.
