

LIMOUSINE COVERS

FEDERAL COACH

You Spoke, We Listened

While we take a great deal of pride in our paint quality, we also understand the importance you place on maintaining showroom condition of your fleet. Our limousine covers will go a long way in protecting your vehicles' exterior from the elements – rain, snow, UV rays and more. They are constructed with woven polyethylene and polypropylene fibers, that will keep your fleet looking its best.

For further information, or to place an order, please contact our Service Department at 844-236-3801.
